Waitlists that spark joy

Free up your frontdesk.
Notify your waitlist and get responses fast.

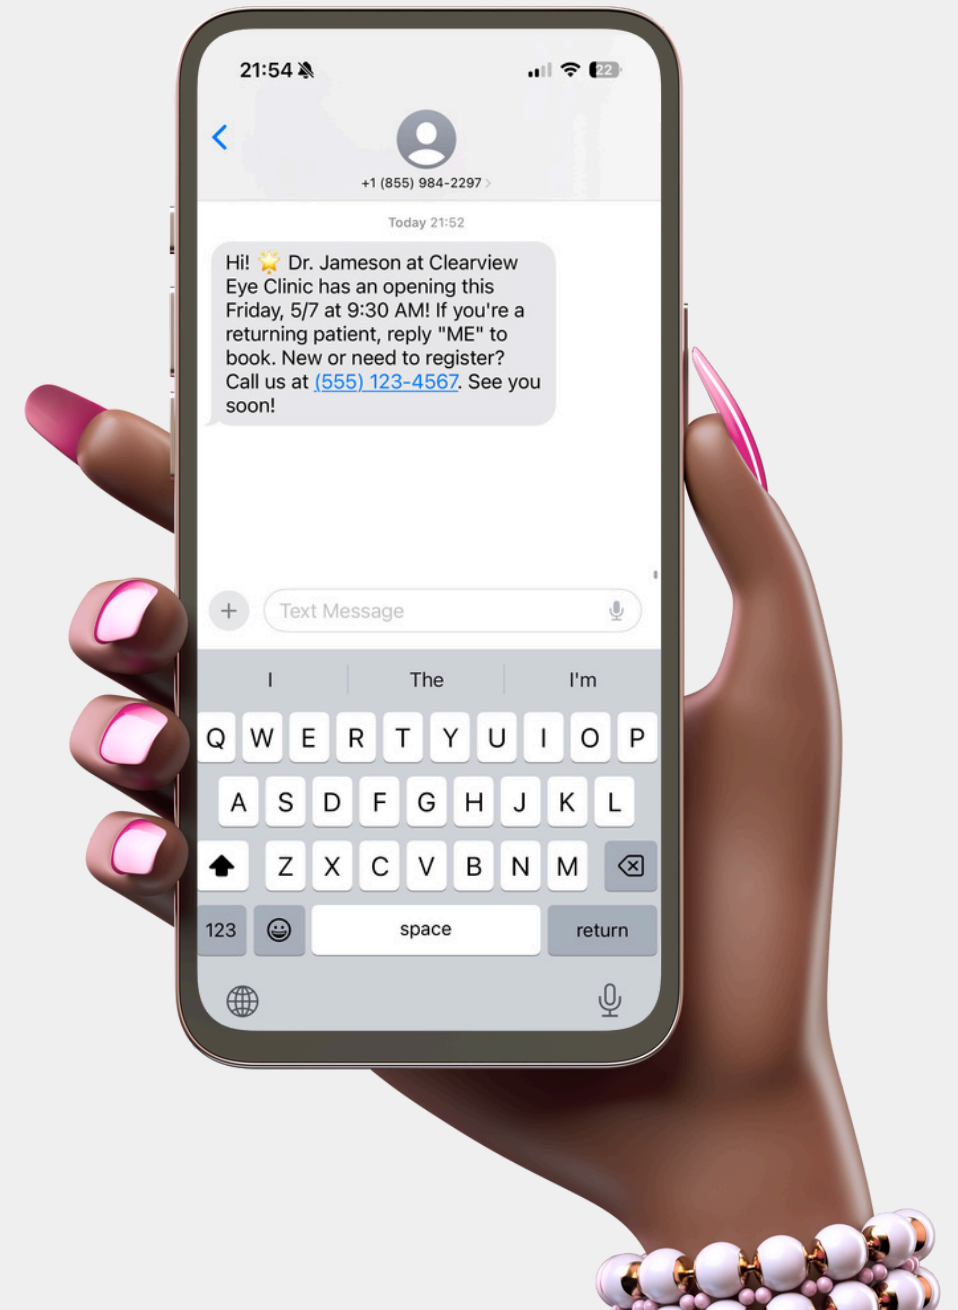

Friendly, contextual, informative messaging.
Unique and personable. **Every time.**

◆ No Spam. Ever.

Clients receive only a few texts a month.
Auto-removed from waitlist if they book/get multiple texts.
Customisable alert frequency.

◆ Interactive Texts

AI assistant alerts you when a client is interested in booking an appointment.
Responds to client if the slot has been filled.
